

Your guide to free COVID-19 testing

Are you experiencing symptoms or been exposed to someone with COVID-19?
Determine if you should get tested and how to locate a test site.

You have options for testing

CVS Pharmacy®

- Go to [CVS.com](https://www.cvs.com) > [Get tested](#).
- Provide your ZIP code or city/state.
- Click *Schedule a test* and complete the online form to see if you qualify for a test.

Centers for Disease Control and Prevention (CDC)

- [CDC.gov](https://www.cdc.gov) > [Learn More About COVID-19](#) > [Should you get tested?](#)
- Navigate to the appropriate state or local information to locate a testing site near you.

Note: Due to rapidly changing demand across the country, turnaround time on results will vary.

Prefer to use a home test? Go to [Pixel.LabCorp.com/covid-19](https://www.pixel.labcop.com/covid-19) to learn more.

Questions?

Aetna® Health Concierge

1-844-783-6965 (TTY: 711)

Monday through Friday, 8:00 AM to 6:00 PM (all time zones),
and Saturday, 8:00 AM to 4:30 PM CT.

Aetna is the brand name used for products and services provided by one or more of the Aetna group of companies, including Aetna Life Insurance Company (Aetna). This material is for informational purposes only. Refer to [Aetna.com](https://www.aetna.com) for more information about Aetna® plans.

You're covered

- **Aetna members:** COVID-19 testing and associated office visit(s) are covered at 100% for in-network providers.
- **Non-Aetna members:** The test is covered 100% by most insurance plans or federal programs for the uninsured. For more information, go to [go/Coronavirus](#) on Connect.

Stay safe, be well

Learn how to protect yourself and others from COVID-19 by following the [CDC guidelines](#).

Are you having severe symptoms?*

Call 911 or go to the nearest in-network hospital immediately. Severe symptoms include:

- Trouble breathing
- Chest pain or pressure
- Inability to wake up or stay awake
- Bluish lips or face
- Any other symptoms that are severe or concerning to you.
